

To,
Growthvine Capital Private Limited
Haryana,

Dear Sir/Madam,

This is to confirm that the servers and data for **Sanchay CRM**, developed and managed by **Enjay IT Solutions Ltd**, are hosted at the **Yotta Data Center** located in the **Mumbai region, India**.

The Yotta Data Center is **MeitY (Ministry of Electronics and Information Technology, Government of India) certified**, ensuring secure, reliable, and compliant infrastructure. All data related to our services is stored and processed within India only.

For any further information or documentation, feel free to contact us.

Thanks and Regards,

For Enjay I.T. Solutions Ltd.
